LETTER OF REFERENCE

I'm pleased to confirm that ZenitSolar sp. z o.o. ("Zenit") has executed a technical due-diligence and has produced report regarding a 106 MWp PV project located in the Środa Wielkopolska County, Poland, for our SPV, ELEKTROWNIA PV MŁODZIKOWO sp. z o.o.

The scope of the report was as follows:

- 1) Site descriptions/suitability review;
- 2) Land agreements review;
- 3) Review of permits granted;
- 4) Construction design review;
- 5) Grid connections review;
- 6) Energy Yield Assessments recalculation and review.

The work spanned two weeks from 20 October to 3 November 2022. Zenit's Team completed its final report within the contractual deadline. The work was performed in a professional and timely manner.

The Zenit's technical DD report was reviewed and accepted by our investor.

We recommend Zenit as a high-quality and reliable business partner.
